Dr. Serbürent Türk and Dr. Burak Ünlü

Sakarya University - Turquía

Dr. Serbürent Türk is an Associate Professor of Physical Chemistry at Sakarya University, Türkiye, and Deputy Director of its Biomedical, Magnetic and Semiconductor Materials Research Center. He received his PhD in 2021. His research focuses on smart hydrogels, controlled drug delivery, bioactive implant coatings, and nanocomposite scaffolds for tissue engineering.

- Dr. Burak ÜNLÜ is a Research Assistant at Sakarya University, Türkiye. He received his Ph.D. in Physical Chemistry from Sakarya University in 2024. His research focuses on polymer-based functional materials, with particular interests in functional hydrogels, gel electrolytes, and materials for energy and biomedical applications.
